

Winter Park Presbyterian Preschool Summer Camp

Summer Camp at WPPP is fun and exciting. We will have 5 wonderful weeks full of games, music, arts and crafts, outdoor activities, and much more! Here are the themes and some of the activities we have planned for camp.

June 7th – 11th “Fun In The Sun”

Join us for a week of fun “at the beach”. Seashell, sand and clay activities. Playing beach games, reading lots of fun books and singing songs about the ocean.

June 21st - 25th “The Land of The Dinosaurs”

We will hunt for dinosaur bones and make fossils. We’ll learn, play with and read about our favorite dinosaurs.

July 5th – 9th “Young Einsteins”

Join us in the lab as we make lots of non-edible concoctions like chalk and glurch! We do lots of fun experiments and crafts.

July 19th – 23rd “Wacky Week”

What an upside down, topsy-turvy, crazy week it will be as we do silly things like wearing our mismatched clothes backwards!

August 2nd – 6th “Come Join the Circus”

We will set up the “Big Top” and all join in for face painting, circus acts, “animal” taming, crafts and fun.
